PRIME MINISTER'S OFFICE

Our Points

BIDA is continuing its all-out efforts to facilitate and promote investment in Bangladesh both in home and abroad. During the month of March alone, BIDA jointly organized two international events viz. (i) 'Potentials of Trade and Investment in Bangladesh' in Doha, Qatar on March 06, 2023 in cooperation with the Bangladesh Securities and Exchange Commission (BSEC), and (ii) 'Bangladesh Business Summit, 2003 (BBS, 2023)' in Dhaka, Bangladesh on 11-13 March where the Federation of Bangladesh Chambers of Commerce & Industries (FBCCI) was main organizer and the Ministry of

Foreign Affairs (MoFA) and Ministry of Commerce (MoC) were the co-organizers. Government of Bangladesh regarded the both events with utmost importance and vital for development of the country and the Hon'ble Prime Minister inaugurated and graced the both events as the Chief Guest. Furthermore, BIDA organized three more investment related sideline sessions and operated the combined stall of all the IPAs of Bangladesh in the BBS, 2023.

Along with these two major endeavors, BIDA was engaged in diverse initiatives to promote investment opportunities in Bangladesh and enhance the investment environment during the month of March. A special Newsletter issue was published to commemorate the presence of the Hon'ble Prime Minister as the Chief Guest during the 'Inauguration Ceremony of the Biniyog Bhaban', the Headquarter of BIDA, BEZA and NSDA. To ease and facilitate the potential foreign investors in their decision making to invest in Bangladesh BIDA also published the second version of 'Investment Guide for Bangladesh' with technical support of the KPMG. BIDA continued to increase its partners towards the path of investment promotion and facilitation by signing an MoU with the Latin America-Bangladesh Chamber of Commerce and Industry (LABCCI). BIDA along with the ILO are working together to improve the existing doing business environment by introducing the 'One Process, One Fee' policy as a part of its 'Bangladesh Investment Climate Improvement Program (BICIP).

In the midst of being extensively engaged with the prime responsibilities, BIDA showed its highest respect and gratefulness to the Father of the Nation, Bangabandhu Sheikh Mujibur Rahman on the occasion of his birthday on 17 March 2023 by celebrating the 'National Children Day' in a colorful manner. BIDA also celebrated our Independence Day by organizing a special discussion event on 28 March 2023 at its Multipurpose Hall. The event began with a tribute to the brave freedom fighters, martyrs of the liberation war, and all those who sacrificed their lives for the country's independence. The discussion highlighted the greatest Bengali of all time, the architect of independent Bangladesh, Bangabandhu Sheikh Mujibur Rahman's leadership and his significant contributions to the country's development.

Bangladesh Business Summit 2023: HPM urges global business leaders to invest in Bangladesh

Hon'ble Prime Minister Sheikh Hasina, MP inaugurated the Bangladesh Business Summit, 2023

Hon'ble Prime Minister Sheikh Hasina, MP inaugurated the Bangladesh Business Summit, 2023 on March 11, 2023. Emphasizing the potential of Bangladesh in trade, business, and investment opportunities she said, "In the month of our independence, I call upon the global business leaders and investors to join us in our journey towards attaining a high-income developed and prosperous country by 2041 and build an innovation-driven Smart Bangladesh". She assured businesses that her government would extend all possible cooperation to overcome all existing challenges posed by the current global scenario.

HPM acknowledged that Bangladesh has been making significant progress, citing the successful implementation of mega projects such as the Padma Bridge and metro rail, and outlined her government's Vision 2041, which aims to make Bangladesh an Upper Middle-Income Country by 2031 and a Developed Country by 2041. She mentioned that the government has framed the Perspective Plan of Bangladesh 2021–2041 and the Eighth Five-Year Plan (2021–2025) as strategic roadmaps to increase private investment, production capacity, inclusive growth, and innovation-driven development.

She further stated that if Bangladesh continues to grow at an average rate of over 5% per year, it has the potential to become a trillion-dollar economy by 2040. She highlighted the government's focus on private investment, including Foreign Direct Investment (FDI), as a prime strategy for achieving high growth rates. She mentioned that Bangladesh aims to increase the ratio of private investment to GDP to 31.43% by 2031, with a \$350 billion infrastructure opportunity in the energy, water, logistics, and transport sectors, and a projected \$90 billion logistics sector market by 2025.

Hon'ble Prime Minister Sheikh Hasina, MP unveiled the Bangladesh Business Summit, 2023 souvenir during the Inaugural Ceremony

With a population of 170 million and a growing middle and affluent class, Prime Minister Sheikh Hasina stated that Bangladesh is a big domestic market and has the potential to become the 9th largest consumer market by 2030, surpassing established markets such as the UK and Germany, as well as high-growth peers like Vietnam and Thailand. She also highlighted Bangladesh's strategic geographical location, which could make it a hub of a regional market of 300 million people.

The Bangladesh Business Summit-2023 has been organized as part of the Federation of Bangladesh Chambers of Commerce and Industry i.e. FBCCI's 50th founding anniversary celebrations, aiming to create new opportunities for trade and investment by showcasing the country's economic potential to a global audience. The summit will showcase dynamic business investment opportunities, improvements to the local business climate, and insights into the investment priorities of global investors to improve policy-making. The three-day summit, was organized by the FBCCI in partnership with the Ministry of Foreign Affairs, the Ministry of Commerce, and BIDA, was held at the Bangabandhu International Conference Centre (BICC) in Dhaka.

HPM urges Qatar to invest in Bangladesh

Hon'ble Prime Minister Sheikh Hasina, MP delivered her speech at Bangladesh Investment Summit 2023, Qatar

Hon'ble Prime Minister Sheikh Hasina, MP urged Qatar to invest in Bangladesh's energy sector, particularly in renewable energy, during her speech at the Doha Investment Summit 2023 on March 6, 2023 when she inaugurated the summit titled "The Rise of the Bengal Tiger: Potentials of Trade and Investment in Bangladesh" at the St. Regis Doha Hotel in Qatar. The event was organized by the Bangladesh Investment Development Authority (BIDA) and the Bangladesh Securities and Exchange Commission (BSEC) in partnership with the Ministry of Foreign Affairs, Bangladesh.

In her speech, HPM also mentioned that Bangladesh could benefit from Qatar's expertise in offshore gas exploration and energy distribution systems. The Prime Minister invited Qatari businessmen to visit the country soon and emphasized the need for a mutually beneficial economic partnership between the two nations. She also highlighted the potential for cooperation in the agro-processing industries, with buy-back arrangements to Qatar and the establishment of three special tourism zones where Qatar can engage in both the real estate and hospitality sectors. She also urged Qatari investors to consider portfolio investments in Bangladesh and increasing imports of goods from Bangladesh.

During this summit, the Executive Chairman of the Bangladesh Investment Development Authority (BIDA), Mr. Lokman Hossain Miah, delivered a welcome speech and urged businesspeople from Qatar to invest in Bangladesh. During his speech, Mr. Miah emphasized the country's immense potential for trade and investment and stated that BIDA is always ready to support businesspeople who want to

invest in Bangladesh. He also said BIDA has created a streamlined process for investing in Bangladesh, making it easier for investors to navigate the country's business environment. He also highlighted that BIDA provides 24/7 support to investors through its OSS.

The keynote paper was delivered by Professor Shibli Rubayat Ul Islam, Chairman, BSEC. During his speech, Professor Islam shared his insights and perspectives on the

current state of the economy as well as his vision for the future of business and investment in Bangladesh.

The event provided a platform for Bangladesh to showcase its potential for economic growth and development, with discussions focusing on various sectors, including energy, infrastructure, textiles, and pharmaceuticals. Participants expressed their willingness to explore investment opportunities in Bangladesh and strengthen economic ties between the two nations.

BIDA celebrates National Children's Day

BIDA celebrated National Children's Day and the 103rd birth anniversary of the Father of the Nation, Bangabandhu Sheikh Mujibur Rahman, the greatest Bengali of all time and the architect of independent Bangladesh, on March 17, 2023. The event was organized at the BIDA office with great enthusiasm and respect.

The theme for the event was "Bangabandhu's birthday in the dream of smart Bangladesh; children's eyes are colored with the dream of prosperity". A

BIDA celebrates National Children's Day and the 103rd birth anniversary of the Father of the Nation Bangabandhu Sheikh Mujibur Rahman

discussion meeting was held on the same day at the BIDA conference room under the Chairmanship, MS Mohosina Yesmin, Executive Member of BIDA. Mr. Lokman Hossain Miah, Executive Chairman, BIDA was present as the Chief Guest, and Mr. Avijit Chowdhury, Executive Member, BIDA participated as the main speaker.

At the beginning of the program, the BIDA family showed respect to the Father of the Nation, Bangabandhu Sheikh Mujibur Rahman, and to all the heroic freedom fighters and freedom fighters who sacrificed their lives in the liberation war.

In his speech, the Chief Guest, Mr. Lokman Hossain Miah, Executive Chairman of BIDA, praised Bangabandhu Sheikh Mujibur Rahman as the soul of Bengali and said that if he had not been born, Bangladesh would not have been born. He highlighted the various struggles that Bangabandhu went through

in his life to recognize the rights of the people of Bengal. He emphasized that today, Bangabandhu's dream is being realized under the skilled and visionary leadership of the honorable Prime Minister, and we are moving towards a developed Bangladesh.

During the main discussion Mr. Avijit Chowdhury, Executive Member, BIDA highlighted Bangabandhu's vision of making Bangladesh a non-communal, self-respecting, and developed nation. He emphasized the need to instill the spirit of Bangabandhu in today's children, who will lead the country in the future. The program also included recitations from the Holy Quran and the Holy Gita. BIDA officials and employees were present at all levels.

BIDA celebrates Independence Day

To celebrate Independence Day, BIDA organized a discussion event titled "Historical Leadership of Father of the Nation Bangabandhu Sheikh Mujibur Rahman and Development of the Country" at its Multipurpose Hall on March 28, 2023. The event was Chaired Dr. Khandoker Azizul Islam, Secretary BIDA while Mr. Lokman Hossain Miah, Executive Chairman, BIDA graced the event as the Chief Guest.

The event began with a tribute to the brave freedom fighters, martyrs of the liberation war, and all those who sacrificed their lives for the country's independence. The discussion highlighted the greatest Bengali of all time, the architect of independent Bangladesh, Bangabandhu Sheikh Mujibur Rahman's leadership and his significant contributions to the country's development.

In the speech of the Chief Guest, Mr. Lokman Hossain Miah said, "I believe Bangabandhu is the soul of Bengali, and without him, Bangladesh would not exist today. He led the Bengali nation through every turning point, recognized their rights, and taught them to live independently. Although he only ruled for three and a half years, he made one of the best constitutions and 108 laws in the world. Today, under the leadership of his privileged daughter, our honorable Prime Minister, we are a middle-income country and a role model for many nations. We must raise our children in the spirit of Bangabandhu, in the spirit of non-communal

country love. Providing the highest level of service to investors is crucial to developing our country."

In the speech of the Chair Dr. Khandoker Azizul Islam thanked everyone and praised the leadership and selflessness of Bangabandhu Sheikh Mujibur Rahman in a discussion meeting. He emphasized the importance of hard work and honesty to achieve the target of a smart Bangladesh by 2041, stating that March is a month of awareness, triumph, and awakening.

The discussion meeting was attended by all BIDA officials. BIDA's Executive Member, Mr. Matiur Rahman, Director-General Abu Saeed Joardar, and Director Md. Humayun Kabir Khan, shared their thoughts. The event ended with a special doa mahfil for the well-being of the country and its people, Bangabandhu Sheikh Mujibur Rahman and the progress made by the country in the 53 years since its independence.

Japanese entrepreneurs keen to invest more in Bangladesh

Japanese entrepreneurs have expressed a keen interest in investing more in Bangladesh, following the "Japan-Bangladesh Trade and Investment: Opportunities and Way Forward" event held at the Bangabandhu International Conference Center in

Mr. Lokman Hossain Miah Chaired the "Japan-Bangladesh Trade and Investment: Opportunities and Way Forward" session of the Bangladesh Business Summit on March 12, 2023.

Dhaka on March 12, 2023 under the chair of EC BIDA Mr. Lokman Hossain Miah. The event was a parallel session of the three-day-long Bangladesh Business Summit 2023 and was attended by senior officials and business leaders from both countries.

The event aimed to explore the trade and investment opportunities between Japan and Bangladesh, with discussions covering various sectors such as energy, infrastructure, textiles, and pharmaceuticals. The

Japanese Ambassador to Bangladesh H. E. Mr. Kiminori Iwama; Mr. Lokman Hossain Miah, Executive Chairman, BIDA, Mr. Takeshi Mamiya, Managing Executive Officer, Marubeni ASEAN Pet Ltd, Mr. Myungo-Ho Lee, President, Japan-Bangladesh Chamber of Commerce and Industry (JBCCI) and other high officials attended the discussion

participants expressed their willingness to enhance cooperation and promote mutual investment and trade for the benefit of both nations. Executive Chairman, BIDA highlighted the potential investment opportunities in Bangladesh, emphasizing the country's conducive business environment with a growing economy. He invited investors from Japan and other countries to invest in Bangladesh, promising all possible support from the government and BIDA.

The keynote paper was presented by Mr. Takeshi Mamiya, Managing Executive Officer, Marubeni ASEAN Pet Ltd. Other speakers were Japanese Ambassador to Bangladesh H.E. Mr. Kiminori Iwama, Mr. Myungo-Ho Lee, President, JBCCI, Dhaka, and Abdul Haque, Advisor, FBCCI. Video messages from the Bangladesh Foreign Minister Mr. A K Abdul Momen and the Japan Economy, Trade, and Industry Minister Mr. Yasutoshi Nishimura were shared in the event.

EC, BIDA visits various stalls and booths at BBS 2023

Mr. Lokman Hossain Miah, Executive Chairman, BIDA visited various stalls and booths at the Bangladesh Business Summit 2023, held on March 12, 2023, at the side grounds of the Bangabandhu International Conference Center. During his visit, Mr. Miah exchanged views and directions with investors and businessmen on various issues, including investment opportunities, policy reforms, and market trends. He also highlighted BIDA's commitment to providing maximum service to investors and businessmen to build a better, smarter Bangladesh.

Mr. Lokman Hossain Miah, Executive Chairman, BIDA visited various stalls at the Bangladesh Business Summit 2023

The event showcased a wide range of booths and stalls representing various sectors, including textiles, leather, ICT, jewelry, automobiles, plastics, tourism, and pharmaceuticals, among others. Mr. Miah visited the stalls of these sectors and discussed potential investment opportunities with the participating companies. FBCCI President Mr. Jasim Uddin, along with other FBCCI leaders and BIDA high officials, accompanied him during his visit.

The Bangladesh Business Summit 2023 aimed to promote Bangladesh as an attractive destination for investment and facilitate discussions between investors and business leaders.

‘The capital will go somewhere... Why not Bangladesh’: CEO, Anchorless Bangladesh

Mr. Rahat Ahmed, CEO, Anchorless Bangladesh presented the Keynote paper during a seminar organized by the BIDA at the Bangladesh Business Summit, 2023

Anchorless Bangladesh's Founding Partner and CEO, Mr. Rahat Ahmed, delivered a keynote presentation on attracting global capital to Bangladesh at a session titled 'What Global Investors look for and How to Get

the Money to Bangladesh,' (a sideline session of Bangladesh Business Summit 2023) organized by the BIDA at the Bangabandhu International Conference Center on March 12, 2023.

During his presentation, Mr. Ahmed emphasized the vast amount of assets available globally for investment, with a total of US\$119 trillion

allocated in 2021 alone. He proposed structures that would allow Bangladesh to attract a share of this capital and highlighted the importance of proactive efforts to seize these opportunities.

The session was Chaired by Md. Lokman Hossain Miah, Executive Chairman, BIDA and featured the participation of top investors and policymakers. The discussions centered on strategies to attract global capital to Bangladesh and the necessary steps to create an environment conducive to investment.

Bangladesh possess a positive outlook for business: Bangladesh Business Confidence Survey Report 2022-23

BIDA and BUILD (Business Initiative Leading Development) jointly organized a dissemination session (a sideline session of Bangladesh Business Summit 2023) on the recently-published 5th Business Confidence Survey (BCS), which aimed to capture the general business conditions of the past 6 months. The event was held on March 13, 2023, at the Bangabandhu International Conference Center (BICC) in Dhaka, with various industry leaders, domestic and foreign investors.

Ms. Ferdaus Ara Begum, CEO, BUILD, delivered the keynote presentation, highlighting the key findings of the survey and providing insights into the current state of the country's business climate. She informed that according to the survey findings the overall Business Confidence Index (BCI) for 2022 stands at 74.4, indicating a positive outlook for business conditions over the next six months. Business entities across Bangladesh are confident that the volume of orders for the manufacturing

BIDA and BUILD jointly organized a dissemination session on the recently-published 5th Business Confidence Survey (BCS) on March 13, 2023

sector, demand for services in the service sector, selling prices, and business activity will increase in the next six months. As a result, businesses are willing to expand their employment and investment over the same period. However, business entities, especially in the manufacturing sector, have low confidence in costs, indicating the need for immediate action to address the cost burden of businesses, including the cost of electricity, water, gas, rent, and materials.

The session was Chaired by Mr. Lokman Hossain Miah, Executive Chairman, BIDA who emphasized the importance of the BCS in capturing the business sentiments of investors and entrepreneurs in Bangladesh. The BCS is an annual survey conducted by BUILD to monitor and assess the business

Ms. Ferdaus Ara Begum, the CEO of BUILD, delivers the keynote presentation

environment in Bangladesh. The survey is based on a questionnaire that captures the opinions of entrepreneurs, investors, and other stakeholders on various aspects of the business climate, including economic growth, investment opportunities, access to finance, regulatory environment, and infrastructure.

Bangladesh holds potentialities to achieve excellence in the field of life sciences

Mr. Lokman Hossain Miah, Executive Chairman, BIDA Chaired the 3rd sideline event "Lighting up the Life Sciences: From drug discovery to hospital care, how Bangladesh can achieve excellence in Health Services delivery" on March 13, 2023

BIDA hosted its third sideline event at the Bangabandhu International Conference Center on March 13, 2023, as part of the Bangladesh Business

Summit 2023 titled "Lighting up the Life Sciences: From drug discovery to hospital care, how Bangladesh can achieve excellence in Health Services delivery". The event was aimed at exploring ways to improve healthcare in Bangladesh.

The event was chaired by Mr. Lokman Hossain Miah, Executive Chairman, BIDA and featured a keynote address by Dr. S K Das, Research Fellow, University of Oxford. Dr. Das discussed how Bangladesh can achieve excellence in the field of life sciences and improve the delivery of health services.

Dr. S K Das, Research Fellow, University of Oxford presented challenges and opportunities facing the healthcare sector in Bangladesh

The event was held at the BIDA Lounge and brought together a range of stakeholders, including government officials, academics, and business leaders. The discussions focused on the potential for growth in the life sciences sector in Bangladesh and how the country can become a hub for drug discovery and hospital care.

The event provided an important platform for discussing the challenges and opportunities facing the healthcare sector in Bangladesh and how the country can work towards achieving excellence in this field. It is hoped that the insights gained from the event will help drive the development of the healthcare sector in Bangladesh and improve the delivery of health services to the country's population.

LABCCI and BIDA sign MoU to open new trade and investment opportunities between Bangladesh and Latin America

The LABCCI and BIDA signed a MoU on March 15, 2023

The Latin America-Bangladesh Chamber of Commerce & Industry (LABCCI) and the Bangladesh Investment Development Authority (BIDA) signed a Memorandum of Understanding (MoU) on March 15th, 2023, at the BIDA Conference room in Dhaka. The MoU signing ceremony was attended by high officials of BIDA and LABCCI, with Mr. Lokman Hossain Miah, Executive Chairman of BIDA, as the Chief Guest.

LABCCI President, Mr. Md. Anwar Shawkat Afser, expressed his excitement about the new era of collaboration between LABCCI and BIDA, which will enable business societies from Latin American countries to invest and trade in Bangladesh with more confidence. The two organizations are jointly organizing the Bangladesh Investment B2B Event in Latin America-2023, which will take place in Argentina and Brazil from May 6th to 17th, 2023. The event aims to attract foreign direct investment and promote Bangladeshi products and services to the Latin America region.

The delegation will focus on sectors such as agriculture, food processing, textile, processing plants for soya beans, sunflower, iron ores, petroleum oils, fertilizer, RMG, wood log, and the export of jute, leather, and pharmaceuticals. B2B and networking seminars will also be held during the event.

Mr. Lokman Hossain Miah, Executive Chairman (Senior Secretary) of BIDA, expressed his support for the delegation, stating that the present government has created a friendly environment for businessmen, and EPZ and Economic Zones will provide a safe zone for foreign investors in Bangladesh. The event was attended by high officials of BIDA and LABCCI and representatives from print and electronic media. The MoU signing is expected to open up new avenues for trade and investment opportunities between Bangladesh and Latin America.

BIDA and ILO organizes workshop on 'One Process One Fee'

Bangladesh Investment Development Authority (BIDA) and the International Labor Organization (ILO) collaborated a day-long planning workshop on March 19, 2023 at the Lakeshore-Gulshan Hotel in Dhaka to generate promotional documents and materials (digital and print) for extensive promotion and publicity on service delivery activities under BIDA's Online One Stop Service System for the following six agencies- (1) Bangladesh Investment Development Authority, (2) Bangladesh Fire Service and Civil Defense Department, (3) Department of Inspection for Factories and Establishments, (4) RAJUK (5) Chattogram Development Authority (CDA) and (6) Department of Labour.

Mr. Lokman Hossain Miah, Executive Chairman, BIDA was present as the Chief Guest in the workshop. Ms. Mohsina Yasmin, Executive Member, BIDA presided over the planning workshop.

Indian businessmen have keen interest to invest in various sectors of Bangladesh

The leaders of the Bharat Chamber of Commerce (BCC) visited BIDA on March 22, 2023.

The leaders of the Bharat Chamber of Commerce (BCC) expressed interest in investing heavily in various sectors of Bangladesh meeting with the Bangladesh Investment Development Authority (BIDA) at the conference room of BIDA on March 22, 2023. A 10-member delegation of the BCC is recently four-day visit to Bangladesh to explore business opportunities.

Mr. NG Khaitan, president of BCC, stated that Indian businessmen have always been interested in being development partners of Bangladesh. He also acknowledged the strong friendship between India and Bangladesh and praised Bangladesh for its tremendous success over the last decade.

In this meeting Mr. Lokman Hossain Miah, Said Bangladesh has emerged as one of the most attractive investment destinations due to its impressive infrastructural development, political stability, consistent economic growth, and successful management of the Covid-19 pandemic. With a population of 170 million people, including a growing mid-income group, Bangladesh presents a large and expanding market. To facilitate investment

growth, BD has taken various initiatives, including the BIDA OSS service, establishment of 100 economic zones and 27 hi-tech parks. Miah predicts that Bangladesh will become an upper middle-income country within a decade, making it an opportune time to invest in the nation. Mr. Avik Roy, Secretary General, BCC explained that their investors are interested in investing in various sectors of Bangladesh. Bangladesh has become an attractive investment destination due to its infrastructural development, political stability, stable economic growth, and successful response to the Covid-19 pandemic.
